Transit H-Bar Carrier

2 in 1 convertible system -
one size fits all

Hook-n-Loop straps
stabilizes crossbar
and shackle of
u-lock or a locking
head of a key cable
or combo cable

Using the adapter, Transit H-Bar
Carrier fits the majority of all
u-locks on the market. Removing
the adapter allows the carrier to fit
the larger size u-locks such as the
New York Fahgettaboudit

Patent pending 2-point
lock holder offers
greater support to the
lock when in transit

Fits handlebars as small as
22mm or as large as 32mm
